Dear Woodland Families,

Camp Woodland hopes this email finds you and your family safe and healthy. We wish you a happy New Year and are hopeful for a better and brighter 2021! We have missed our Camp Woodland families and look forward to reuniting this summer. We wanted to thank you for your understanding and continued support in Camp Woodland.

We currently anticipate holding Camp Woodland in Summer 2021. Registration will open in late January for camp to begin on June 14th.

Please be advised that camp will likely look different this year. The health and safety of our campers, staff, and community is our top priority. We will follow guidance provided by our local government and health authorities in all camp operations to help reduce the spread of COVID-19.

Once again, thank you for your continued support, and information regarding registration will follow.

Warmest Regards,

The Woodland Family
