SICK CAMPER POLICY

PLEASE adhere to our following sick policy! We NEED your help to ensure Camp Woodland remains a healthy environment for everyone!

Daily Health Check

Please be sure your child is feeling well each morning before bringing them into camp. Your child should **NOT** come to camp if they were given medicine that morning for not feeling well.

Illness During Camp

If a camper presents a fever of 99.5 degrees Fahrenheit or higher
OR reports feeling ill during camp a parent or legally authorized adult will be called to pick them up immediately.

**In the case where a camper who has attended camp tests positive for COVID-19, please notify us immediately. We will inform you of the most up to date protocols at that time.

Returning to Camp After Illness

Should a camper be sent home from camp due to illness with any type of symptoms, our policy is: If the symptoms are not suspected of being COVID-19, the camper can return to camp after they have been symptom-free for a **Full 24 hours WITHOUT the aid of fever reducing medicine.**

Any camper with symptoms **of suspected or confirmed COVID-19 can return to camp when: At **least 5 days** have passed AND the camper has been symptom free for a **full 24 hours WITHOUT the aid of fever reducing medicine.**
